Our physicians are committed to the success of your medical treatment and care and realize that communication is vital to the patient's well-being. A mutual understanding is part of our relationship and we need your assistance and understanding of our financial agreement.
It is important for you to understand the terms of your health insurance policy. Your policy is a contract between you and your insurance carrier. Patients are responsible for knowing which provider(s) are participating with their insurance carrier.

Participating Insurances: Valid health insurance information must be provided to us to ensure appropriate reimbursement for your care. We participate with the most major medical plans. You may reference our list of participating carriers on our website at www.aosmlv.com. If your insurance does not pay 100%, you will be responsible for any deductible, co-payment, coinsurance, and any non-covered services.
Non-Participating Insurances: Valid health insurance information must be provided to us to verify if your policy has "out-of-network" benefits. You will also be responsible for any balance over the reasonable and customary charges arbitrarily determined by your insurance carrier, in addition to a higher deductible or co-insurance level.
Secondary Insurance: As a courtesy to you we will bill your secondary insurance. Valid health insurance information must be provided to ensure transferring and billing of balances after receiving your primary carrier's reimbursement.
Medicare: As a participating provider of Medicare Part B we will only bill you your Medicare deductible and coinsurance if you do not have secondary/supplemental insurance. NOTE: You will be informed of any services which are not covered by Medicare prior to services being rendered. If you choose to have the services rendered, your signature will be required stating you accept the financial responsibility for these services.
Workers Compensation / Auto Insurance: We will submit claims to a valid carrier. If you have health insurance, you will be required to provide the information to us in case your WC/Auto benefits are denied or exhausted. All remaining balances or denied services will be your responsibility.
Referrals: It is your responsibility to bring any required referral for treatment to your visit. If you do not have the required referral your appointment will be rescheduled.
Co-Pays: Co-pays are due at the time of service.
Self-Pay: If you do not carry insurance - payment is expected at time of service for any incurred charges. If surgery is required, surgery will not be be scheduled until financial arrangements have been made with our Billing Coordinator/Medical Staff.
